100th day Thank You

Thank you to all the families who donated items for our 100th day. We had a blast. The students made a craft where they drew what they would look like at 100. Then we wrote what we would be like at 100. We then went to stations around the room where we built with 100 plastic cups, explored with 100 pattern blocks, created a hat with 100 items, and then made 100 gumball. Then we counted out 100 pieces of food that we got to enjoy! A great day!
