Our First Week

We had a great first week at Hite. I am so impressed with these kiddos and what knowledge and excitement they have brought into the classroom. We had smiling faces each day and very little tears!!!!!! Thanks so much for all of your help getting them ready for this year. We are going to have a great year and I can't wait to see how much they grow and learn!

Practicing at Home

A great thing to ask this week is for your child to name a class rule!

- Have your child practice writing their first name.
- Make sure to use only an uppercase letter at the beginning and all the rest are lowercase.
- Find the letters we are working on this week in books that you are reading!

Heads Up

This week we will practice each of our school safety drills. I will assure students that these are only drills but please also be aware at home. Your child may come home scared and just assure them of why we practice these at our school.
