

Traditions POSTER

This time of year brings families and friends together for celebrations and holidays. Many of those carry traditions that are meaningful to us and we take part in every year. It may include:

- An activity you participate in
- An event you attend
- An item you set out every year
- A special food that you make

Some traditions may hold special religious significance while others may be ones that you and your family created.

Think about one tradition your family has that revolves around a holiday that you celebrate. Create a poster that shows a symbol of that tradition. Feel free to use the paper that is provided, or use your own. Embellish your poster with photographs, ribbons, glitter, crayons, markers, paint, etc.

Your child will be asked to present their tradition to the class. Please help them practice explaining the tradition and WHY it is meaningful. The assignment and presentation will be graded. The rubric that we will use to grade this assignment is on the back of this paper.

This is DUE Friday, December 8th

TRADITIONS POSTER ASSIGNMENT

SOCIAL STUDIES ASSESSMENT

Student Name: _____

Score: _____

Grade: _____

6 points - Outstanding
4 points - Needs Improvement

5 points - Satisfactory
3 points or below - Unsatisfactory
