Start at the ☆

Squares and Rectangles

Name: _____

Color the blue. Color the green. Put an X on the shapes that are not rectangles or squares.

How many squares? _____

How many rectangles? _____

Draw a

Numeral practice
Start at the ☆

Dear Parents,

Homework

As the students practice their letter formations at home, it is important that they practice using the correct "path of motion" for that particular letter. I have listed the recommended "path of motion" for upper and lower case letters. By practicing the letters correctly and consistently, your child will develop the muscle memory needed to efficiently write.

Q
Start at the top
over, around,
close,
slant out

q
Start in the middle
over,
around,
dip down, kick up

Write the letters. Start at the ☆ .
